MESSAGE FROM CHAIRMAN, VKNRL NURSING SCHOOL TRUST

VKNRL School of Nursing at Numaligarh embarks onto its 5th year after successful academic accomplishment in imparting quality Nursing education in the region. As the COVID-19 pandemic continues to impact people worldwide, nurses continue to serve at the frontlines of healthcare, finding innovative ways to support patient needs and help save lives.

The year 2020 marked the 200th birth anniversary of Florence Nightingale, the epitome of Nursing-and this year was designated as the 'International Year of the Nurse and the Midwife' by the World Health Organization. It is indisputable that nurses are at the vanguard of patient care as they monitor, access, educate and assist the patients. Nursing is the noblest of all professions and in immense demand globally, offering a highly rewarding career.

VKNRL School of Nursing is carefully organized, monitored and managed to produce qualitative nursing students with service temperament. The primary objective of the institution is to produce competent nurses to face the challenging world of nursing and to meet the emerging health care needs of the society. It takes pride in preparing nurses to provide patients with best care possible and serve the nation as compassionate care givers and leaders in their chosen profession.

I welcome you all to VKNRL School of Nursing at Numaligarh and urge you to make the most of the world class facilities and groom yourself to be a part of the noblest profession on earth. I sincerely wish that all the students would be a 'Nightingale' in some part of the world; shining their light, brightening the corner wherever they are with their humble heart, presence of mind and helping hands, serving humanity to their best.

With sincere regards,

S. K. Barua

Chairman,

VKNRL Nursing School Trust

VKNRL SCHOOL OF NURSING

FROM THE DESK OF THE PRINCIPAL:

It gives me immense pleasure to welcome you to VKNRL School of Nursing, Numaligarh established in the year 2017. The school is a joint venture project of Vivekananda Kendra and Numaligarh Refinery Limited (NRL) as a part of its Skill Development Initiatives for women under its Corporate Social Responsibility. VKNRLSON is offering three years General Nursing and Midwifery (GNM) Course with 40 students per session having its affiliation to the Assam Nurses' Midwives' and Health Visitors' Council, Guwahati, Assam and Indian Nursing Council, New Delhi.

The first batch of our GNM students have come out with flying colors in 2020 and placed in different private and public hospitals of Assam under NHM and serving patients with great differences. .

Vivekananda Kendra, which is Spiritually Oriented Service Mission along with the dedicated team of faculty & staff , students staying in the school campus able to develop rich learning experiences not only in nursing education and practice but also equally in social, moral and spiritual dimensions with all sorts of Yoga and pranayamas.

Nurses are the backbone of every health system. Every adversity is an opportunity to improve and what COVID-19 has brought into sharp focus is the need for every nation to invest in nurses and midwives as part of the commitment to achieve universal health coverage.

I believe that students during their 3 years training period would develop professionalism and team leader of our fast developing health care industry.

With Regards

Kabita Devi

WARNING

Any attempt on the part of the Candidate to influence selection process, directly or indirectly, will be treated as a disqualification."

INTRODUCTION

VKNRL School of Nursing has been set up by NRL as a part of its Skill Development Initiative. To carry this initiative forward, a Trust Deed was signed between Numaligarh Refinery Limited (NRL) and Vivekananda Kendra (VK), Kanyakumari. The **‘VKNRL School of Nursing’** shall be managed by this Trust formed in the name and style of **‘VKNRL Nursing School Trust’** comprising of members from NRL and Vivekananda Kendra.

This social venture of setting up a Nursing School in Numaligarh has been initiated by NRL under its Corporate Social Responsibility initiatives; which amongst others, focuses on skill development and generating livelihood opportunities for the local people and to meet the increasing demand of qualified nurses all over the country.

Vivekananda Kendra is a well-known service organization with its mission primarily based on the principles of Swami Vivekananda who preached **“man making, nation building”** as the basic objective. Swami Vivekananda stressed on serving humanity as he could visualize that “There are lots of poor people sunk in degradation and misery who need to be served with zeal and enthusiasm and needful action to be taken to help them in alleviating their problems and making their life a better one”.

LOCATION

VKNRL School of Nursing is situated in Village No.1 Ponka Grant of Marangi Circle, Golaghat District, Assam, India. It is situated at a distance of 30 km from Golaghat Town, 265 km from Guwahati and 65 km from Jorhat. The National Highway 37 (India) passes through Numaligarh, which is at a distance of 10 KM from the school. The nearest Railway Station is in Golaghat and the nearest Airport is in Jorhat.

VISION

We are a state -of -art institute of national repute, committed to achieve excellence in nursing education by developing skilled and dedicated nursing professionals, contributing to health care needs and socio- economic uplift of the region.

MISSION

1. Create state-of-art Nursing Institute of National repute with competent faculty.
2. Develop skilled and dedicated Nursing professionals with high quality education.
3. Focus on continuous improvement in curriculum and professional updation.
4. Adopt best-in-class practices with good governance and ethical standards.
5. Contribute towards socio-economic development of the region with 100% placement assistance.

PHILOSOPHY OF VKNRL SCHOOL OF NURSING

1. We believe nurses, as qualified professionals, are an integral & necessary part of a collaborative health care team, promoting health, preventing diseases and providing therapeutic care.
2. We believe that GNM program will train the student nurses to render quality nursing care which is scientifically sound and evidence based, in the health care practice at the institutional level and community outreach programme.
3. We believe that nursing education will provide opportunities for nurses to develop to their fullest potential as professional nurses and citizens so that they may help their people and society to achieve the physical, emotional, social, moral, intellectual and spiritual well-being that we desire for all. The dynamic processes of planning, providing and evaluating nursing care are necessary to meet the unique needs of individuals, their families and the communities.
4. VKNRL School of Nursing has been set up to inculcate human values, to provide contemporary knowledge and impart skills, thereby creating employment opportunities to young ladies in the profession of nursing.

ABOUT THE COURSE

Name of the Course

General Nursing and Midwifery (GNM)- Diploma Course.

Duration of the Course

3 years including internship.

Total Number of Seats

Forty (40) seats for GNM Programme.

Nursing Education

Nursing education is the professional education for the preparation of nurses to enable them to render professional nursing care to people of all ages, in all phases of health and illness, in a variety of settings. As students develop their education and understanding of general healthcare over the years, they can move on to more specified areas of healthcare such as child care, orthopedics, emergency nursing, intensive care and midwifery among other healthcare fields. GNM may work in a variety of healthcare settings within both the public and private healthcare sectors and may operate in hospitals, nursing homes, hospices, the armed forces, community centers, healthcare facilities and college, universities among other healthcare settings.

In addition to bachelor programme, GNM may also choose to continue their education in a post graduate programme where they can earn their masters degree and find work in

more prominent position such as management, administration and leadership roles within their profession or they can choose to work in areas related to education, research and development.

Affiliation

The Course is affiliated to the Assam Nurses Midwives and Health Visitors' Council, Guwahati, Assam and Indian Nursing Council, New Delhi.

Aims and Objectives

Aims

The aims of Diploma in General Nursing and Midwifery program are:

1. To prepare nurses with a sound educational programme in nursing to enable them to function as efficient members of the health team, beginning with the competencies for first level positions in all kinds of healthcare settings.
2. To help nurses develop an ability to co-operate and co-ordinate with members of the health care team in the prevention of disease, promotion of health and rehabilitation of the sick.
3. To help nurses in their personal and professional development, so that they are able to make maximum contribution to the society as useful and productive individuals, citizens as well as efficient nurses.
4. To serve as a base for further professional education and specialization in nursing.
5. To prepare nurses to keep pace with latest professional and technological developments and use these for providing nursing care service.

Objectives

The nurses on completion of this course will be able to:

1. Demonstrate competency in providing healthcare to individual, sick or well, using nursing process.
 - Assess the nursing need of clients from birth to death.
 - Plan and carry out appropriate action to meet nursing needs.
 - Provide effective nursing care for maintaining of best possible level of health in all aspects.
 - Promote self care in people under their care.
 - Apply problem solving techniques in nursing practice.
 - Evaluate effectiveness of nursing care.
2. Apply knowledge from the humanities, biological and behavioral sciences in functioning as a nurse.
3. Function effectively with members of the health team and community applying the knowledge of human relations and communication skills in her work.
4. Participate as a member of the health team in delivery of curative, preventive, promoting and rehabilitative healthcare service.

5. Mobilize community resources and their involvement in working with the communities.
6. Demonstrate use of ethical values in their personal and professional life.
7. Demonstrate interest in activities of professional organization.
8. Recognize the need for continuing education for professional development.
9. Demonstrate basic skills in teaching patients and giving nursing care to them.
10. Demonstrate basic skills in administration and leadership while working with other members of healthcare team and community.
11. Assist in research activities.
